Event Photography

For your business conference, press conference, panel discussion, or corporate event, I capture the special moments and the atmosphere with dynamic, impactful photos.

For private occasions, such as a birthday party or anniversary, I place particular emphasis on the mood, emotions and details, so that you and your guests will remember the event with affection for years to come.

In a preliminary meeting we discuss your event in detail, as well as your requirements, wishes and intentions for the photos.

- Per hour of shooting, you receive approximately 50 photos.
- Every individual photo is edited for brightness, contrast and composition.
- You receive all photos as high resolution files on DVD and/or via online transfer.
- Price :* 150,- € net for one hour
- Price :* 210,- € net for two hours
- Price :* 290,- € net for three hours
- Price :* for four hours or more, please contact me for an offer.

- Travel cost up to 30 km from Berlin are included in the price. For every additional km, 0.30 €.

Portrait Photography

Whether you're a business professional, a politician, or an actor you need photos that truly capture your personality and that market you and your brand effectively. I help you achieve your personal and professional goals by creating impactful photos that separate you from your competition.

I also take portraits of individuals and couples. I really enjoy meeting and working with new people and create portraits that capture you the way you would like to be perceived and in a way that is completely unique at the same time. On site or in the studio. I make you look your best!

In a preliminary meeting we discuss your exact wishes and ideas for the shoot.

- For every hour of photography, you receive 5-10 photos.
- Every individual photo is edited for brightness, contrast and composition and receives a beauty retouch.
- You receive the photos as high resolution files on DVD and/or by online transfer.
- Price :* 125,- € net for the first hour; 85,- € net for every additional hour

*For portraits on location, a €75 additional fee applies.

Fashion Photography

I offer fashion, beauty, glamour and lifestyle photography and work closely with the client to create a visual representation of their brand. I also do catalog, lookbook and sedcard shootings. My approach is contemporary, clean, elegant, and sensual and is often characterized by sophisticated lighting, bold colors and unique posing. My work has appeared in numerous magazines, such as Elegant, Institute, Luxiders, Minc, Modacycle, and Solis.

Prices are variable and always contingent on the job and its requirements. Please contact me for a quote.
